I was going downtown
Just the other day to meet my mates
They said I'd meet you down
down in that mean old playground
I can shack my rattle
Rattle my bones
Just don't lay down before you're done
You can rag momma rag
You can't help it if it's not your thing
down at the St.Louis cemetary
down at the St. Louis cemetary blues
We shall walk through the valley
Walk through the valley soon
We shall talk with the spirits
Talk with the spirits soon
Even Jesus himself shall believe us
That You can rag momma rag
You can't help it if it's not your thing
down at the St. Loius cemetary
down at the St. Louis cemetary blues
