I love the winter weather  
Because the two of us can get together  
There's nothing sweeter and finer  
When it's nice and cold, I can hold

Baby closer to me  
Collecting all the kisses that are due me  
I love the winter weather  
Because I've got my love to keep me warm

I love the winter weather  
So the two of us can get together  
There's nothing sweeter and finer  
When it's nice and cold, I can hold

Baby closer to me  
Collecting little kisses that are due me  
I love the winter weather  
Because I've got my love to keep me warm, so warm
