I never got high the first time I tried
Just like everyone
I know the cigarettes were bold
For a little four foot nothing ten year-old
On hot summer days
We'd go down to the mall
Send security climbin' up the walls
Just like everyone
We were forever young

I am not so original
Never to be cynical
A little unstable
Clinically labeled
Fucked-up all-American
I am totally miserable
Ever to be pigeon-holed
Completely obsessive
Manic depressive
Fucked-up all-American

We lived out our lives like we would never die
Just like everyone
But before Keith went to bed
He put a double barrel shotgun to his head

I am not so original
Never to be cynical
A little unstable
Clinically labeled
Fucked-up all-American
I am totally miserable
Ever to be pigeon-holed
Completely obsessive
Manic depressive
Fucked-up all-American

Smashing bottles and cans
For reasons I don't understand
When I look at the past
It's like staring at pieces of broken glass

I am not so original
Completely fucken miserable (Completely fucken
miserable)
A little unstable (A little unstable)
A little unstable

I am, I am
Totally miserable
Ever to be pigeon-holed
A little unstable
Clinically labeled
Fucked-up all-American
I am, I am totally miserable
Ever to be pigeon-holed
Completely obsessive
Manic depressive
Fucked-up all-American
Fucked-up all-American
(Fucked-up all-American)
