I'm one of those things  
You'll save forever and never need  
Like an old newspaper  
No one has time to read

This child has grown into a dead end  
Since I lost the power to pretend

But it's all right  
That's who I am inside  
Not much to say  
On this non-toxic ordinary day, yeah

That's no superhero  
Standing right in front of us, standing right in front of  
us  
So take this pocket full of kryptonite  
And beat it back to metropolis, and beat it back to  
metropolis

There's only room for one on this microphone  
So in my finest hour I'm still alone

But it's all right  
That's who I am inside  
Not much to say  
On this non-toxic ordinary day  
It's ordinary

But old news can change as memories float  
downstream  
So don't judge me by my failures, only by my dreams

And it's all right  
That's who I am inside  
(Who I am inside)  
Not much to say  
On this non-toxic ordinary day  
(Ordinary day)

But it's all right  
That's who I am inside

('Cause everything's okay)  
Not much to say  
On this non-toxic ordinary day

(Not much to say)  
On this non-toxic ordinary day  
(Not much to say)  
Yeah, on this non-toxic ordinary day
