I'm just human  
Wearing clothes of shame  
And you're the person  
That I never ever want to blame  
I know I've hurt  
I know I've done something bad  
But all I want from you  
Is to know I feel so sad

Practice what to say  
How to say I'm Sorry  
But Baby just listen  
To the real story.

[Chorus:]  
I don't know where I got you wrong  
But Please just let me love you  
Baby when I feel alone  
All I'm thinking is about you  
I don't know how to carry on  
You're all I ever wanted  
So look,  
Baby It's Me

You are the guy  
Behind all my greatest dreams  
You are the one  
Who taught me how to use my wings  
I'm lost without you  
Can't you see?  
I still believe in what you made from me

[Repet chorus]

Coz I, I won't giving up (Ain't giving up babe)  
And I will not, break it up

I'll give all that around me  
And say it so clearly  
Coz yeah...  
Baby It's Me

[Repet chours]

Baby It's Me  
Baby It's Me...
