Yea, yeah, yeah oh
oh, oh, oh, yea
I feel like a little glamour girl
ready to rule the night away
I feel like a little princess
ride me off to my ball
I feel like a star I'm gonna
shine out loud out loud

Chores

Hear me Hear me I'm gonna
say it clear right now right
now c'mon and listen Hear
me Hear me I'm gonna say it
now, every one knows Im gonna
rock the world tonight

Lalalala oh,
Oh, oh, oh, la
curl my hair paint my nails
I guess I'm ready now tiara
there dress here I guess Im
ready now, people camera's
all over the place getting a
shot of me I guess Im ready
now I guess were ready now
I guess were ready now,

Chores

Bridge

Keep on believing and your on your way
see the tower lights everything round you.
oh oh oh
feel the great feeling ya ya

Chores

Hear me Hear me I'm gonna
say it clear right now right
now c'mon and listen Hear
me Hear me I'm gonna say it

now, every one knows Im gonna
rock the world tonight
