Pa,Party, Pa, Pa Pa, party party x3  
I just finished my shower  
oh uh oh  
Yea the ran was poring down like crazy, I  
ran to my sliding glass door  
and saw the lightning strike the ground "Ground"  
and it got me falling down "down"  
found some lights for the spotlight  
got my speakers  
Then I.....  
Ran down stairs turned my speakers on,  
got them up to 101  
called every one for the party of all  
and Now were gonna kick it all night long....  
Chores  
Party, pa, pa, pa, pa, party party,  
were gonna party through the rain  
through the thunder won't be 'afraid  
we know how to kick it up  
we know how to bounce them all  
so were gonna party yea party  
  
dance till light  
don't let the music stop  
  
I wanna do something crazy  
what would that be?  
I wanna party up  
and party down  
i wanna dance till i drop  
Cause the summers here  
so lets partay ay ay  
  
911 going through our minds  
aint got nothing to hide  
except the  
  
Pa, party pa pa pa party party

through the thunder won't be 'fraid  
we know how to kick it up  
we know how to bounce them all

so were gonna party pa pa pa pa partay ay hey!
