Ta fota anapsan ma mesa mu skotadi

Afti i siopi ine pio diskoli ap'to hadi
ki as krivi mesa tis hiliades "s'ayapo".

Apopse vrexai kai ya sena kai ya mena
ma poios antehi ap'tus dio mas pio poli?
Aftos pu kratise ta esthimata anammena

Apopse vrehi kai mu miazi toso astio

I agalia su kapote ediohne to kruo

Tis portes eklisa ma iparhun anamnisis,

I agalia su kapote ediohne to kruo
ke tora efer'etsi apla ton xorismo.

Good afternoon. I am trying to get a translation to the song by Sofia Harala off of her Panikos Album. The song is Apopse Vrehi. When I look it up it gives me the above lyrics, but since I don't speak/read Greek I don't know if they are the right lyrics. I would greatly appreciate your help! :
