1. Depth Charge

I know (who's behind the door...who's behind the door?)
Suddenly decide to listen to me,
Falling from the interior
Who's behind the door...who's behind the door?
Safety, (sexuality...falling away from me)
Suddenly decide to listen to me,
Thank you for being my medium
Who's behind the door... WHO'S BEHIND THE DOOR?
Reptile, the reptile in me
Animal, I'm an animal, and we're all the same,
ALL the same...
So I'm sending to you this Depth Charge
Known, into the unknown, seeking the unknown,
into the unknown depths
Suddenly decide to listen to me,
Thank you for the material
Who's behind the door? I'm behind the door!
Red line, the red line in me
Insect or animal, though we're not the same...
EVERYTHING'S THE SAME!!!
Known, into the unknown, seeking the unknown,
into the unknown depths!
It's ALL the same!!!
(that's all that we are...) MOTHER
(everything that we are...) FATHER
(This is all that you are...) SISTER
(every little thing that you are...) FAMILY
...Further!
...Further!
...Further!
...BRING IT ON!!!
Known, into the unknown, seeking the unknown,
into the unknown Depths
NO ANGER
