Lately (I've been watching you) been thinkin' bout you  
baby  
(and everything you do)  
Just sittin' away watching the days go by

Lately (I've been watching you) been thinkin' botu you  
baby  
(and everything you do)  
Just sittin' away watching the days go by

Have you every felt a breeze hit hard,  
Like the wind was blowing it apart  
As you're spinning like a merry-go-round  
Indications of a storm touching down  
Wish that I can wear the rain and storm,  
But I guess it was a heartbreak from the norm  
Was a day I will always remember,  
The saddest day in sweet November...

(chorus)

Baby I'm on my knees praying god help me please,  
Bring my baby back, right back to me  
If loving your is right then I don't wanna go wrong  
So I drown myself with tears  
Sittin' here, singing another sad love song

(chorus)

(bridge)  
Lately I've been torn apart  
I wish you hadn't broke my heart  
I'm missin' you babe  
Missin' you baby jay  
Lately I've been torn apart  
I wish you hadn't broke my heart  
I'm missin you babe  
Missin' you baby jay

(chorus)
