ill put you on your death bed ill put you in the ground

a hole in your head with blood all around

dont try to catch me cuzz i cant be found

devles advicate on the mic after smokin a pound

sniff the coke smoke the green im still a mother fuckin  
rappin machine

know what i mean? of course not...cuzz you ant me

come here ill beat your ass even though i cant see

its crazy im haizy...your just lazy

you think you can beat me...you cant even fase me
