Every time I think of you
I feel shot right through with a bolt of blue
It's no problem of mine, it's a problem I find
Living a life that I can't leave behind

There's no sense in telling me
The wisdom of a fool won't set you free
That's the way that it goes, it's what nobody knows
While every day my confusion grows

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You'll say the words that I can't say

I feel fine and I feel good
I'm feeling like I never should
Whenever I get this way, I just don't know what to say
Why can't we be ourselves like we were yesterday

Well, I'm not sure what this could mean
I don't think you're what you seem
I do admit to myself, if I hurt someone else
I'll never see just what we're meant to be

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You'll say the words that I can't say

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You'll say the words that I can't say

Every time I see you falling
I get down on my knees and pray
I'm waiting for that final moment
You'll say the words that I can't say

Every time I see you falling
I get down on my knees and pray

I'm waiting for that final moment
You'll say the words that I can't say
