

Stabbing Westward "Falls Apart"

Visit "[Falls Apart](#)" on MotoLyrics.com

I'm tangled and broken
Left scattered on the floor
It's useless now
These pieces they
Can never make make me whole

You wither
And you blister
I watch you burn and peel
It's not like you
Can save me
It's not like you even care
I'm finding it so hard to hold on

This is where it falls apart
This is where it falls apart
I feel helpless as my everything
Comes crashing down on me

This is where it falls apart
This is where it falls apart
I feel helpless as my everything
Comes crashing down on me

Wasted
Useless
Pointless
Scattered
Broken
Pointless
Wrinkled
Shattered
Withered
Blistered
Pointless
Wasted
Useless
Scattered
