Some nights I feel like I have died  
Or something deep inside is dying  
I try to understand my crimes  
There's nothing here that really matters

I don't wanna believe in you  
I can't believe in you

I don't wanna believe in you  
I can't believe in you

I don't want it, I don't need it  
I don't want it, I don't need it  
I don't want it, I don't need it  
I don't want it, but I can't stop myself

Now endless questions fill my head  
Some nights I'm frightened by the answers  
No, you can't hurt me, nothing's real  
No pain you cause can last forever

I don't wanna believe in you  
I can't believe in you

I don't wanna believe in you  
I can't believe in you

I don't want it, I don't need it  
I don't want it, I don't need it  
I don't want it, I don't need it  
I don't want it, but I can't stop myself

One night I swore I'd die for you  
There's nothing else I'd rather die for  
But I'll try to live another night  
There's too much hate to be forgotten

I don't wanna believe in you  
I can't believe in you

I don't wanna believe in you  
I can't believe in you

I don't want it, I don't need it  
I don't want it, I don't need it  
I don't want it, I don't need it  
I don't want it, I don't need it

I don't want it, I don't need it  
I don't want it, I don't need it  
I don't want it, I don't need it  
I don't want it, but I can't stop myself
