You've left me with nothing left but questions
You left me here not knowing who I am
You've left me so much fucking time to hate you
You left me with no choice but to die

Violent mood swings
Violent mood swings
Violent mood swings

Violent mood swings
Violent mood swings
Violent mood swings

Your voice whispers nearly all the time now
Reminding me just how worthless I am
Sometimes I just hear you laugh forever
I want you the fuck out of my head

Violent mood swings
Violent mood swings
Violent mood swings

Violent mood swings
Violent mood swings
Violent mood swings

You're inside my pain, inside my sorrow
I die for one last moment inside you
I miss you, so fucking bad I am you
So whose God will fucking save me now

Violent mood swings
Violent mood swings
Violent mood swings

Violent mood swings
Violent mood swings
Violent mood swings

Violent mood swings
Violent mood swings
Violent mood swings

Violent mood swings
Violent mood swings
Violent mood swings
