I don't know what I did or what came over me
It all happened so suddenly
It was magic, oh so magic

You were standing there, smiling just for me
And from that moment, I felt so free
It was magic, oh so magic

It was magic

The way you look at me, it made me feel so free
(It was magic) Made me feel so free
(It was magic) Made me feel so free

It was magic

The way you look at me, it made me feel so free
(It was magic) Made me feel so free
(It was magic) Made me feel so free

I don't know what happened and what you said to me
But I know it was meant to be
It was magic, oh so magic

I couldn't get much higher, my heart became on fire
And you're still the one I desire
It was magic, oh so magic

It was magic

The way you look at me, it made me feel so free
(It was magic) Made me feel so free
(It was magic) Made me feel so free

It was magic

The way you look at me, it made me feel so free
(It was magic) Made me feel so free
(It was magic) Made me feel so free

It was magic
The way you look at me, it made me feel so free
(It was magic) Made me feel so free
(It was magic) Made me feel so free

It was magic
The way you look at me, it made me feel so free
(It was magic) Made me feel so free
(It was magic) It was magic
(It was magic)
