She feels alone,  
She knows, that something is wrong  
With her,  
For years, she's tried to ignore  
The tears, the fears  
But she feels so cold

It's dark in there  
The spark, needs to be find  
She knows, somehow  
To go with the flow  
But nothing she feels  
Seems to be real

I will hold on  
I'll wait till you come along  
Cause I feel so strong  
And I know  
It wont be too long  
See you in June

Sometimes she cries  
Living lies,  
As deep down inside  
She tries to find  
A different kind of love  
And rise, above  
The constant pain

Is this faith?  
Is this faith?  
Cause I feel so strong  
And I know  
It wont be too long  
See you in June  
See you in June

I will hold on  
I'll wait till you come along  
Cause I feel so strong  
And I know

It wont be too long  
See you in June  
See you in June  
I'll see you, I'll see you, I'll see you in June  
See you in June
