I can wait a little while
But don't make me wait too long
You know that it's now or never
So don't hesitate too come

Promise me you wont forget me
Promise me that you wont change
Cause I'll always remember
Oh the way you said my name

And I'll sing out loud
And I'll make you proud
And I'll show the whole world
What it's all about

Time can make a lot of difference
You move on or you regret
You become a different person
And there's some things you can't forget

And I'll sing out loud
And I'll make you proud
And I'll show the whole world
What it's all about

Nothing ever seems
Easy in the start
Then it all works out

And I'll sing out loud
And I'll make you proud
And I'll show the whole world
What it's all about

And I'll sing out loud
And I'll make you proud
And I'll show the whole world
What it's all about

Nothing ever seems
Easy in the start

Then it all works out
