De musical t'ing call "Gun Man"  
An' I'd like y' to answer question:

Seh, gun man, seh tell me whey you get yuh gun from ?  
You mus 'a get it from the foreign  
A tell you that they cos' one million (do it!)

You don't kill out the 'oman, don't kill out the man  
I know seh you don't kill the younger one  
I don' know how you goin' start fun (?)  
A maybe Joe Joe science a Yellowman  
Gun man, seh tell me whey you get yuh gun from  
You mus 'a get it from the foreign  
You mus 'a tek seh me a politician  
You don' know seh me a musician

'Ca me seh star, star, no gimme SLR  
Star, star, no gimme SLR  
You coulda come from near, you come from far  
You white like snow, you black like tar  
A M16 in a Vietnam type (?) war  
you put in on ignorance, seen ?  
You kill out a whole family  
You put it pon Robbie, they say you wicked  
You sit ina de greener (?) and star you wanted  
Seh, gun man, seh tell me whey you get yuh gun from  
You mus 'a get it from the foreign  
You wan' come shoot dung your own black man (do it!)

'Ca dis a AK 47, is a AK 47  
'Ca tell you that they gun run sweeter(?) now than ever  
'Ca dis a AK 47  
Gun man, a-if you have a gun you mus' hit and a-run  
If you have a gun you mus' hit and a-run  
'Ca dis is our island in de sun  
Dis is our island in de sun  
Just get one girl and go have some fun  
Go get one girl and go have some fun  
Gun man, tell me whey you get yuh gun from  
You mus 'a get it from the foreign  
You wan' come shoot dung your own black man,

remember

Gun shot a it nuh respect no one  
Gun shot a it nuh respect no one  
It kill soldier man, it kill our citizen (?)  
It kill soldier man, it kill police man  
It kill police man, also bad man  
It kill bad man, also civilian  
It kill civilian, also christian  
It kill any man, also human  
Gun man, seh tell me whey you get de gun from  
You mus 'a get it from the foreign  
you wan' come shoot dung your own black man (do it!)

A whey you can go when Jah right time ?  
De wicked a go melt like a butter 'gainst sun  
De dread 'pon those who a fire dem gun  
Nuh worry dey us, lyah, a have we likkle fun  
De gun man dey a 'ell, a tek fire bun  
Gun man, seh tell me whey you get yuh gun from ?  
You mus 'a get it from the foreign  
you all come shoot dung your own black man.....
