His eyes are closed his face pale asleep  
On the ground a newspaper reads  
The blood has spilled again  
And you just dream my yellowman  
Yellowman  
The angels burn a torch to keep us warm  
His lungs are wide awake but he won't breathe  
He spits out the ocean and we dream  
Like goldfish in a bowl  
They think we're free  
Yellowman  
You're tying rocks to clouds to stay above the crowds  
The angels burn a torch to keep us warm  
The blood has spilled again  
And you just dream  
Yellowman  
You never see the bloodstains on the battlefield  
The angels burn a torch to keep us warm
