### "Take Me Back"

Visit "[Take Me Back](#)" on MotoLyrics.com

Take me back to virtuality  
To the stream of electricity  
Back to life that's not reality, in my world  
That you cannot see

Reality is to feel the floor under my feet  
The light of the sun hurts like acid in my eyes  
The cold wind seems to tear my skin away  
I feel so lost everywhere, everywhere  
I feel so lost everywhere

I have to waste time when I move  
And when I search I don't find what I want and  
There is no information about what I see  
The people stare at me with hate in their eyes  
My behaviour does not fit in here.  
I don't understand. They want me to leave.
