You told me to love
You told me to be compassionate

But everybody's acting like an asshole,
Everybody's acting like a whore

You said hate was wrong
You said we should love another

But everybody's acting like an asshole,
Everybody's acting like a whore

I would change no more
I would change no more

But everybody's acting like an asshole,
Everybody's acting like a whore
But everybody, but everybody,
But everybody's acting like a whore
But everybody, but everybody,
But everybody, but everybody,

You told me to love
You told me to be compassionate

Body, body, body, body

You said hate was wrong
You said we should love another

But everybody... but everybody...
But everybody... but everybody's acting like a whore
But everybody's acting like an asshole,
Everybody's acting like a whore
But everybody's acting like an asshole,
Everybody's acting like a whore
But everybody's acting like an asshole,
Everybody's acting like a whore
But everybody's acting like an asshole,
Everybody's acting like a whore...
Everybody's acting like an asshole,
Everybody's acting like a whore...

You told me to love
You told me to be compassionate
You said hate was wrong
You said we should love another
I would change no more
I would change no more...
