(Feelin good  
I'm so bad at this, I really am)

Ooooh sha la la  
(okay...)  
Sha la la  
Feel love when i look into your eyes  
I get butterflies  
Almost everytime  
(there will always be those butterflies)  
Hey love, everytime we meet  
Boy I get so weak  
I can't even speak  
Oh no

I wish you could be here all the time  
Ohh, cause baby you belong at my side

[CHORUS:]  
Hey, (hey) what more can I say (say)  
I'm always thinkin of you (you)  
You make it so easy to love you (you)  
Baby baby babe (babe)  
It's never too hard to (to)  
Revolve my world around you (you)  
Hey, (you) you make it so easy to love you

Every night we spend  
(every night we spend)  
I don't want it to end  
Let it start over again  
(again and again)  
Say, love  
With you I feel at ease  
Things that seemed important don't seem that  
important  
(don't seem that important)  
'Least that way to me

Boy you know i hate when you leave  
Oh won't you please just stay here with me

[CHORUS]

(Oh um, he was tall, and um..... everything was good,  
We had our ... he made me laugh a lot, and  
So i thought ... i thought that would uh, you know  
[laugh])

[CHORUS x2]

Sha la la  
Hey (hey) what more can i say (say)  
Im always thinkin of you (you)  
You make it so easy to love you (you)

Oh baby (babe)

Its never too hard to (to)  
Revolve my world around you (you)  
You make it so easy to love you
