As you listen to the band don't you get a bubble?
As you listen to them play don't you get a glow?
If you step out on the floor, you'll forget your trouble
If you go into your dance, you'll forget your woe

So come, get together
Let the dance floor feel your leather
Step as lightly as a feather
Let yourself go

Come, hit the timber
Loosen up and start to limber
Can't you hear that hot marimba?
Let yourself go

Let yourself go, relax
And let yourself go, relax
You've got yourself tied up in a knot
The night is cold but the music's hot

So, come cuddle closer
Don't you dare to answer, "No, sir"
Butcher, banker, clerk and grocer
Let yourself go
