Never let me go, love me much, too much  
If you let me go, life would lose its touch  
What would I be without you?  
There's no place for me without you

Never let me go  
I'd be so lost if you went away  
There'd be a thousand hours  
In the day without you, I know

Because of one caress  
My world was overturned at the very start  
All my bridges burned by my flaming heart  
You'd never leave me, would you?  
You couldn't hurt me, could you?

Never let me go  
Never let me go

Because of one caress  
My world was overturned at the very start  
All my bridges burned by my flaming heart  
You'd never leave me, would you?  
You couldn't hurt me, could you?

Never let me go  
Never let me go
