Verse 1

I've got it all, but I feel so deprived
I go up
I come down
And I'm emptier inside
Tell me what is this thing
That I feel like I'm missing and why can't I let it go

CHORUS

There's gotta be more to life
Than chasing down every temporary high
To satisfy me
'Cause the more that I'm
Trippin' up thinkin' there must be more to life
Well, there's life...
But, I'm sure
There's gotta be more

Verse 2

I've got the time
And I'm wasting it slowly
Here in this moment
I'm halfway out the door
On to the next thing
I'm searching
For something that's missing

CHORUS

More
I'm wanting
Mooooore
I'm always
Waiting on somethin
Other than this
Why am I feeling like there's something I missed
Yeah!

CHORUS repeat x2

Fade
(There's gotta be more to life)

More to, more to, more to life
More to, more to life
More to, more to life
There's gotta be more to life
More to life
