When you're down and troubled and you need some
love and care
And nothing, nothing is going right
Close your eyes and think of me and soon I will be
there
To brighten up even your darkest night.

You just call out my name, and you know wherever I am
I'll come running to see you again.
Winter, spring, summer, or fall, all you have to do is
call
And I'll be there, yes I will, you've got a friend.

If the sky above you grows dark and full of clouds
And that old north wind begins to blow
Keep your head together and call my name out loud.
Soon you'll hear me knocking at your door.

You just call out my name, and you know wherever I am
I'll come running to see you again.
Winter, spring, summer, or fall, all you have to do is
call
And I'll be there, yes, I will.

Now ain't it good to know that you've got a friend
When people can be so cold.
They'll hurt you, yes, and desert you.
And, take your soul if you let them, but don't you let
them.

You just call out my name, and you know wherever I am
I'll come running to see you again.
Winter, spring, summer, or fall, all you have to do is
call
And I'll be there, yes, I will, you've got a friend.
