In a little honky-tonky village in Texas  
There's a guy who plays the best piano by far  
He can play piano any way that you like it  
But the way he likes to play is eight to the bar  
When he plays, it's a ball, he's the daddy of them all

The people gather around when he gets on the stand  
Then when he plays, he gets a hand  
The rhythm he beats puts the cats in a trance  
Nobody there bothers to dance  
But when he plays with the bass and guitar  
They holler out, "Beat me Daddy, eight to the bar"

A-plink, a-plank, a-plink-a-plank-a-plink-a-plank  
A-plunkin' on the keys  
A-riff, a-raff, a-riff-a-raff-a-riff-a-raff  
A-riffin' out with ease  
And when he plays with the bass and guitar  
They holler out, "Beat me Daddy, eight to the bar"

He plays a boogie, he plays eight to the bar  
The boogie-woogie, that is the way he likes to play on  
his piano  
And we all know  
That when he plays he puts them all in a trance  
The cats all holler, "Hooray"  
You'll hear them say, "Beat me Daddy, eight to the bar"

In a little honky-tonky village in Texas  
There's a guy who plays the best piano by far  
When he plays with the bass and guitar  
They holler, "Beat me up Daddy, beat me Daddy, eight  
to the bar"

The people gather around when he gets up on the  
stand  
Then when he plays, he gets a hand  
The rhythm that he plays puts the cats in a trance  
Nobody there ever bothers to dance
