I've got guy who's always late

Any time we have date

But I love him

Yes I love him

He's gonna walk up to my gate

And see if he can get it straight

Cause he wants her

He's gonna ask her, ma

Is you is or is you ain't my baby?

The way you're actin' lately makes me doubt

Yous is still my baby, baby

Seems my flame in your heart's done gone out

A woman is a creature that has always been strange

Just when you're sure of one

You find she's gone and made a change

Is you is or is you ain't my baby

Maybe baby's found somebody new

Or is my baby still my baby true?

Is you is or is you ain't my baby, baby?

Baby boy, the way you're actin' lately makes me doubt

Yous is still my baby, baby, baby

Baby boy, seems my flame in your heart's done gone
out

A woman is a creature that has always been strange

Just when you're sure of one

You find she's gone and made a change

Is you is or is you ain't my baby

Maybe baby's found somebody new

Maybe baby found somebody

Or is my baby still my baby true?
