Chorus:

Woman mi love it when you set so, set so, set so
Give me ever style weh mi ask for
Love it when you set so, set so, set so
Love it when you gi mi all brawta
Mi love it when you set so, set so, set so
After mi nuh talk show master
Love it when you set so, set so, set so
Mi nice lickle african daughter

Verse 1:

Love it when you give me the bounce with style
Pattern and slide weh fi drive man wild
Sycadelic she have it up the bedroom eyes
Gal you a shine like me terrazo tile
Yeow mi jus love the way she know fi please me
With the tight little muscle weh she use fi squeeze me
Cruising some way under me aphrodisiac
The way she gwaan mi nu want she release me

Chorus

Verse 2:

Yeow mi jus love the way you flex
And how you gwaan dawn
You have the body weh fi keep man warm
Gal you have man out a road a create storm, calm
Before you make madden grow a dead form
Yeow mi love it when you ask for the kill
Climb house, climb roof, a beg you climb on the hill
Slide back front stroke mi woulda put pon di bill
Scream, shout, cry loud when you encounter

Chorus
