Lightning strikes  
Inside, my chest to keep me up at night  
Dream of ways  
To make you understand my pain

Clouds of sulfur in the air  
Bombs are falling everywhere  
It's heartbreak warfare  
Once you want it to begin,  
No one really every wins  
In heartbreak warfare

If you want more love,  
why don't you say so?  
If you want more love,  
why don't you say so?

Drop his name  
Push it in and twist the knife again  
Watch my face  
As I pretend to feel no pain

Clouds of sulfur in the air  
Bombs are falling everywhere  
It's heartbreak warfare  
Once you want it to begin,  
No one really ever wins  
In heartbreak warfare.

If you want more love,  
why don't you say so?  
If you want more love,  
why don't you say so?

Just say so...

How come the only way to know how high you get me  
is to see how far I fall  
God only knows how much I'd love you if you let me  
but I can't break free at all.

It's a heartbreak...

I don't care if we don't sleep at all tonight  
Let's just fix this whole thing now  
I swear to God we're gonna get it right  
If you lay your weapon down  
Red wine and ambient  
You're talking shit again, it's heartbreak warfare  
Good to know it's all a game  
Disappointment has a name, it's heartbreak warfare.
