Listen baby, ain't no mountain high, ain't no valley low  
Ain't no river wide enough, baby  
If you need me, call me, no matter where you are, no  
matter how far  
Call for me, baby  
And just call my name, I'll be there in a hurry  
You don't have to worry

'Cause baby, there ain't no mountain high enough  
Ain't no valley low enough  
Ain't no river wide enough  
To keep me from getting to you, babe

Don't you remember the day, I set you free  
I told you, you could always count on me darlin'  
And from that day on I made a vow  
I'll be there when you want me some way, some how

'Cause baby, there ain't no mountain high enough  
Ain't no valley low enough  
Ain't no river wide enough  
To keep me from getting to you, baby

Oh no, darlin', no wind, or no rain  
No winter's cold can stop me, baby [Can't stop me,  
darlin']  
'Cause you are my doll  
'Cause whenever in trouble, I'll be there on the double  
Just send for me, oh, oh

My love is alive, way down in my heart  
Although we are miles apart  
If you ever need a helping hand, I'll be there when you  
want me  
Just as fast as I can

'Cause baby, there ain't no mountain high enough  
Ain't no valley low enough  
Ain't no river wide enough

To keep me from getting to you, baby

Don't you know that there ain't no mountain high  
enough

Ain't no valley low enough

Ain't no river wide enough

From the day we met, you know I made a vow  
I'll be there when you want me some way, some how,  
yeah

My love is alive way down in my heart

It doesn't matter how many, how many miles we're  
apart

There ain't, there ain't no mountain high enough

Ain't no mountain high enough

No valley low enough, no river wide enough keep me  
from you

Ain't no mountain [No] high enough

Oh, no matter where you are, no matter how far, girl

Ain't no mountain high enough

Oh, just call my name, I'll be there in a hurry

Ain't no mountain high enough

Since the day I set you free, you could always count on  
me, girl

Ain't no mountain high enough

Oh, no wind, no rain, ohhhh...

Ain't no [Ohhhh...] mountain high enough
