beggin' me to stay
but never sayin' a word
your eyes, they speak
my heart is hurt
eyes that promised thrills
on rollercoaster ride
keep turned away, I'm mesmerized

just a look from you
and I burn with fire
steamin' up from my contacts strong
losin' control as you take me higher

[Chorus:]
electronic eyes
the power of love is in your eyes
electronic eyes [ohh, ohh]
electronic eyes
pullin' me deeper, deeper inside
electronic eyes

changin' all the rules and all the laws
you offer love in the arms
the buttons that you push
made me feel at ease
you're built to last,
you're there to please

just a look from you
and I burn with fire [steamin' up]
steamin' up from my contacts strong
losin' control as you take me higher

[chorus]

I said it was love at first sight
[oo-oo-oo-oooh]
the look was cold at the bite
just a look from you
and I burn with fire [steamin' up]
steamin' up from my contacts strong

losin' control as you take me higher

[chorus]

mesmerizin', hypnotizin'
fantasizin' 'bout electronic eyes
ohhhhhh, ohh
mesmerizin', I'm hypnotizin',
I'm fantasizin' 'bout electronic eyes
ohhh, ohhh, I
mesmerizin', hypnotizin'
fantasizin' 'bout
