(Alex Brown/Ron Kersey)

I'm loving everything about you  
Baby, can't you tell  
Keep opening your heart to me  
It's okay if you tripped and fell

In love with me  
Just go with the flow and let the seed that planted grow  
Don't hesitate  
Till we've gone all the way  
Heed the word your heart is saying

Let it rock, don't you stop  
Till you give me every single drip, drip-drop of your  
love  
(Every drop of it, I want to get enough of it)  
Let it rock, don't you stop  
Till you give me every single drip, drip-drop of your  
love  
(Every drop of your love) My baby

It's so strong, it should be serious  
It's so real, I'm prepared  
Withdraw my long life savings  
To give you all the love, all the love I've never shared

We're in between  
Just one step away from a place called heavenly  
Let go, let this dream come true  
There's no turning back, let the feeling set the mood,  
ooh, hoo, hoo

Let it rock, don't you stop  
Till you give me every single drip, drip-drop of your  
love  
(Every drop of it, I want to get enough of it)  
Let it rock, don't you stop  
Till you give me every single drip, drip-drop of your  
love  
(Every drop of your love) My baby

Let it drop, don't you stop  
Till you give me every drip-drop, ooh

We're in between  
Just one step away from a place called heavenly  
Let go, let this dream come true  
There's no turning back, let the feeling set the mood

Let it rock, don't you stop  
Till you give me every single drip, drip-drop of your  
love  
(Every drop of it, I want to get enough of it)  
Let it rock (Let it), don't you stop (Don't you stop)  
Till you give me every single drip, drip-drop of your  
love  
(Every drop of your love) My baby (Oh, baby)

Let it rock (Let it), don't you stop (Don't you stop)  
Till you give me every single drip (Ooh), drip-drop  
of your love  
(Every drop of it, oh...)  
Let it rock (Let it), don't you stop (Don't you stop)  
Till you give me every single drip, drip-drop of your  
love  
(Oh...oh...oh...baby) My baby

Let it rock (Let it), don't you stop (Don't you stop)
