do do do do do do
do do do do
I can tell the pain behind your smile
I can smell the good vibe scent from miles
yeah, yeah
sweet replies you see are just for teens
I recognize your actions, some hope it seems
[bridge:]
oh stop, love, show
we're both aware of this charade
pretending and wasting time
we both know
our song as we're planning to fade
it hurts, but we see the signs
[Chorus:]
heartbreak look, oh
I see it in your eyes
that heartbreak look, heartbreak look, oh
you can't mask for disguise
that heartbreak look, oh
I see it in your eyes
that heartbreak look, heartbreak look, oh
leaving is on your mind, yeah
once we shared the fruits of happiness, hey
ahh, once we cared beyond unselfishness
[repeat bridge]
[repeat chorus]
oh, heartbreak look
oh, heartbreak look
[repeat bridge & chorus (ad-lib)]
that heartbreak look, heartbreak look, oh
girl, let's stop pretending and wasting time
heartbreak look, heartbreak look, oh
it hurts me now, but I see the signs
heartbreak look, heartbreak look, oh
girl, you must be leaving, I see it in your eyes
heartbreak look, heartbreak look, oh
it's too hard to disguise
heartbreak look, heartbreak look, oh
I don't understand it, I can't understand it
heartbreak look (that I love you),

heartbreak look, oh
it's over, over, over, over you, baby
heartbreak look, heartbreak look, oh
