On a summer day,
We're walking hand in hand on a beach made for two
On a summer day,
I'm dreaming sweet dreams of you

Ooh
I could love you so divine
Oh-oh-oh-oh
I could love you so divine
Both me and you

On an autumn day,
We're skipping through the leaves like a couple of kids
On an autumn day,
I'm telling you how much I care

Ooh
I could love you so divine
Oh-oh-oh-oh
I could love you so divine
Both me and you

When I wake up in the morning
I feel so grateful for seeing the light
I want to tell you I've been waiting
For a love so right, for all of my life

Ooh
I could love you so divine
Ooh baby
Oh-oh-oh-oh
I could love you so divine
Both me and you

Ooh baby
I could love you so divine
Let me tell you
Oh-oh-oh-oh
I could love you so
I could love you so divine

Ooh baby
I could love you so divine
Let me tell you
Oh-oh-oh-oh
I could love you so divine
Both me and you
