Your face is beaming
You say it's 'cause you're dreaming
Of how good it's going to be
You say you've been around
And now you've finally found
Everything you wanted and needed in me

[Chorus:]

I don't have the heart to hurt you
It's the last thing I wanna do
But I don't have the heart to love you
Not the way you want me to

Inside I'm dying
Seeing you crying
How can I make you understand
I care about you
So much about you
I'm trying to say this, as gently as I can

[Chorus]

You're so trusting
And Open
Hoping that love will start
But I don't have the heart
Oh no, I don't have the heart

[Chorus]
