Oh baby, there is no mistaking when it came to you and
me
I never could get enough
I remember you drove me crazy with the little things
you do
We really have something, some kind of love

Too young to be afraid of opening up
Too young to be afraid of falling in love
And now I realize how precious it was
Ohh, ohh, it was so easy
So easy

We never have time to worry, no reason to be sad
We just took what we had
Oooh, we were just playing around if we didn't even
know
We really had something, some kind of love

Too young to be afraid of opening up
Too young to be afraid of falling in love
And now I realize how precious it was
Ohh, ohh, it was so easy
So easy

[Saxophone solo]

Too young to be afraid of opening up
Too young to be afraid of falling in love
And now I realize how precious it was
Ohh, ohh, it was so easy
So easy
So easy, ohh, so easy

Loving you, boy, it really blew my mind
But sisters say it's just amount of time
So easy, ohh, so easy
Loving you, boy, it really blew my mind
But sisters say it's just amount of time
So easy, ohh, so easy

Loving you, boy, it really blew my mind
But sisters say it's just amount of time
So easy, ohh, so easy
Loving you, boy it really blew my mind
But sisters say it's just amount of time
So easy, ohh, so easy
