every day seems like a new romance  
you keep me dancin' 'til the last dance  
its mystery has got me in a trance  
'cause every night [every night]  
I wait for you  
don't be late  
'cause I'll be ready for you, baby  
when you stopped by  
so you can take me to love town  
ooh, ooh  
so you can take me to love town  
baby  
come on and take me to love town  
yeah  
why don't you take me to love town  
I can't believe I've found a love like you  
like when we take it to a slow groove  
my inner dreams, they seems to all come true  
you can't disguise [can't disguise]  
you love me  
don't be late  
'cause I'll be ready for you, baby  
when you stopped by, ohh  
so you can take me to love town  
so you can take me to love town  
I wanna be with you  
come on and take me to love town  
why don't you take me to love town  
whoa, yeah  
oh baby  
oh no, oh no, no  
come on and take me to love town  
ohh, whoa-ohhh, ohhh, yeah  
'cause I'll be ready for you, baby  
when you stopped by, ohhh  
so you can take me to love town  
love town, yeah  
so you can take me to love town  
I wanna be with you  
come on and take me to love town  
why don't you take me to love town

the love we feel is so good  
it feels to me just like I knew it would  
[love town] I wanna go  
take me, baby  
come on and take me, baby
