Shake me, could it be I'm dreamin'  
Don't wake me 'cause it's real  
I'm caught up in the web he's weavin'g  
Believing what I feel

It happens every time I'm near him  
I revered him from the start  
How can I show him all the secrets  
Of my heart

Oh, oh, oh, oh  
Oh, oh, oh, he's the one  
He's a million dollar babe, whoa  
Oh, oh, oh, oh  
Oh, oh, oh, he's the one  
He's a million dollar babe, whoa

Million dollar babe

How can my love make a difference  
Surrender is the key  
Give him something to remember  
The better part of me

How can I conquer his attention  
Not to mention all his love  
I wanna cash in on the passion  
In his eyes

Oh, oh, oh, oh  
Oh, oh, oh, he's the one  
He's a million dollar babe, whoa  
Oh, oh, oh, oh  
Oh, oh, oh, he's the one  
He's a million dollar babe, whoa

Million dollar babe

Woo... hoo... hoo...

It happens every time I'm near him

I revered him from the start  
How can I show him all the secrets  
Of my heart

Oh, oh, oh, oh  
Oh, oh, oh, he's the one  
He's a million dollar babe, whoa  
Oh, oh, oh, oh  
Oh, oh, oh, he's the one  
He's a million dollar babe, whoa (Million dollar baby,  
baby, oh)

Oh, oh, oh, oh  
Oh, oh, oh, he's the one  
He's a million dollar babe, whoa  
Oh, oh  
Oh, oh, oh, he's the one  
He's a million dollar babe, whoa  
(Oh, I want you, oh, I need you, baby, baby)

Oh, oh, oh (Baby, baby), he's the one  
He's a million dollar babe, whoa  
Oh, oh, oh, oh  
Oh, oh, oh, he's the one  
He's a million dollar babe, whoa (Oh, oh, oh)

Oh, oh, oh, he's the one  
He's a million dollar baby, whoa  
Ooh... hoo... baby  
You're sure fine, mmm, mmm, mmm  
He's the one, babe, whoa

Oh, oh, oh, oh, oh
