(Narada Michael Walden)

Back in the days  
Of used to be  
The child in me  
My love  
So like the flower  
By the apple tree  
You and me  
My love

Only you  
Can change  
My lonely nights  
Only you can shine  
The brightest light  
Within my soul, my soul

Sun filled the clouds  
All around you then  
All around you in  
My love  
No need to follow  
What has gone away  
I am here to stay  
My love

Only you  
Can change  
My lonely nights  
Only you can shine  
The brightest light  
Within my soul

Back in the days  
Of used to be  
The child in me  
My love  
No need to follow  
What has gone away  
I am here to stay

My love...  
My love...  
My love...  
My love, my love...
