Ooh... , Stacy. Girl, he is fine.  
I think he's kinda living in yours.  
But can he do the right thing?

When you first walked by,  
You know you caught my eye  
You were really kinda smooth, yeah  
I made a move for you  
To get to know ya better, babe  
And that you get to know me

Oh, I don't ask too much  
Love me hard, but don't leave me  
That's all you gotta do  
Oh, just know where to touch  
And I'll be the only, only  
The only one for you, ooh

R U man enuff?  
R U ready for a plenty good loving?  
I'm hooked on you, ooh  
R U tuff enuff? Can you give it up?  
Or do you wanna show me just what you do?  
R U man enuff?  
R U ready for good loving?  
I'm hooked on you, ooh, ooh

I had no time for boys  
Would only play with toys  
I had enough of that in grade school  
So if you fit the shoes,  
Baby, I can make you happy  
You can make me happy, too

Oh, I don't ask too much  
Love me hard, but don't leave me  
That's all you gott do  
Oh, just know where to touch  
And I'll be the only, only  
The only one for you, ooh...

R U man enuff?  
R U ready for a plenty good loving?  
I'm hooked on you, ooh  
R U tuff enuff? Can you give it up?  
Or do you wanna show me just what you do?  
Ooh, ooh  
R U man enuff?  
R U ready for good loving?  
I'm hooked on you, ooh, ooh

To the beat  
Boy, I don't think you heard me  
What you gonna do?  
Girls, get busy!

Oh no, I won't ask too much  
No, I don't, baby  
Love me hard, but don't leave me  
That's all you gotta do  
Oh, just know where to touch  
And I'll be the only, only  
The only one for you, oh... yeah

R U man enuff? (Oh yeah...) Ohh... oh  
Good loving, I'm hooked on you, oh, oh, ohh... oh  
Oh, oh, oh, ohh... oh  
Oh, oh, oh, ohh... oh  
Oh, oh, ohh... ohh...  
Oh, oh, oh, ohh... oh

R U tuff enuff? Can you give it up?  
Do you wanna show me just what you do?  
(R U man enuff?)  
R U man enuff? (R U man enuff?)  
R U ready for a plenty good loving, a plenty good  
loving?  
R U tuff enuff? (R U tuff enuff?)  
Can you give it up? (Can you give it up?)  
Do, do you wanna show me? Do, do you wana show  
me?  
R U man enuff? (Oh yeah...)  
R U ready for? (R U ready for?)  
I knew you're gonna love it, boy  
R U tuff enuff? Can you give it up?  
Oh, ohh... oh  
Oh, ohh... oh
