I'm sneakin' out of here  
[Closes door]

Ooooooh...

[Sneakin' out the back door, sneakin' out the back]  
[Sneakin' out the back door, sneakin' out the back]  
[Sneakin' out the back door, sneakin' out the back]  
[Sneakin' out the back door]

Sneakin' out to see my baby  
Sneakin' out [Sneakin' out the back]  
Sneakin' out to see my baby  
Sneakin' out [Sneakin' out the back]

I've been talkin' on the phone line  
To that sneaky boy of mine  
He says to come on over later  
Where we're jammin' all through the night

I wanna roll and rock, I wanna turn it out  
I wanna feel the funk  
I wanna hear you shout, shout  
I wanna roll and rock, I wanna turn it out  
I wanna hear you shout

[Sneakin' out the back door, sneakin' out the back]  
[Sneakin' out the back door, sneakin' out the back]  
[Sneakin' out the back door, sneakin' out the back]  
[Sneakin' out the back door]

Sneakin' out to see my baby  
Sneakin' out [Sneakin' out the back]  
Sneakin' out to see my baby  
Sneakin' out [Sneakin' out the back]

Going out to see my main squeeze  
But don't you know he's fine as he can be  
There's a party around the corner  
And that's where we're gonna be, yeah

I wanna roll and rock, I wanna turn it out  
I wanna fell the funk  
I wanna hear you shout, shout  
I wanna roll and rock, I wanna turn it out  
I wanna hear you shout---  
Ooh!

(Jerry: Ooooooh... Stacy, I'm-a tell mama! )  
You better shut up and go inside  
(Jerry: I'm-a tell, unless you give me some money.)

[Interlude]

Don't nobody tell my mama I'm sneakin' out  
[Sneakin' out the back door, sneakin' out the back]  
Don't nobody tell my mama I'm sneakin' out  
[Sneakin' out the back door, sneakin' out the back]

Sneakin' out  
[Sneakin' out the back door, sneakin' out the back]  
Sneakin' out  
[Sneakin' out the back door, sneakin' out the back]  
Sneakin' out  
[Sneakin' out the back door, sneakin' out the back]  
Sneakin' out [Sneakin' out the back door]

Sneakin' ou-ou-ou-ou-ou-out, sneakin' out  
[Sneakin' out the back door, sneakin' out the back]  
Sneakin' ou-ou-ou-ou-ou-out, sneakin' out  
[Sneakin' out the back door]  
Sneakin' out

[Sneakin' out the back door, sneakin' out the back]  
[Sneakin' out the back door, sneakin' out the back]

Now you heard what I said  
I'm sneakin' out of here  
I'm sneakin' out the back door  
Yeah? I'll catch you on the rebound  
Bye!

Keyboard solo

[Sneak]  
[Sneak, sneaky]  
[Sneak]  
[Sneak, why don't you sneak with me?]

Ohhhhhhhhhhhh, sneakin' out  
Sneakin' ou-ou-ou-ou-ou-out, sneakin' out, yeah...  
Out the back door to see my baby, yeah-eah...

Sneakin' out, out the back door to see my baby  
I wanna see my baby  
Sneakin' out...
