Spring's in the air
There's magic everywhere
When you're young and in love
[Ooh... ooh... ooh... ooh... ooh...]

Life seems to be
A world of fantasy
When you're young and in love [Ooh... ooh... ooh...
ooh...]

Each night seems just like [Ooh... ooh...]
The Fourth of July
When stars spangle the sky

Dreams can come true [Young and in love]
If you believe they do
When you're young [Young and in love] and in love
[Ooh... ooh... ooh... ooh... ooh...]

Trust and you'll find
There's no mountain you can't climb
When you're young and in love [Ooh... ooh... ooh...
ooh...]

Though many teardrops [Ooh... ooh...]
Are sure to fall
True love can conquer all
When you're young and in love

[Young and in love]
[Do, do, do, do young and in love]
[Ooh... ooh... ooh... ooh... ooh]
[Do, do, do, do, do, do, do, do, young and in love]
[Ooh... ooh... ooh... ooh...]

Though many teardrops
Are sure to fall
True love can conquer all
When you're young... and... in... love...
[Young and in love, young and in love]

When you're young and in love
[Young and in love, young and in love]
Young and in love
[Young and in love, young and in love]
When you're young and in love
[Young and in love, young and in love]
When you're young and in love
[Young and in love, young and love]
When you're young and in love
