I have enough all I can take
there's too much talk
about you walked away from me
it's easy to see
that we've heard enough feels like
but I know that it ain't right
for you to walk away from me

you ain't leavin'
you ain't goin' nowhere, no way
you ain't leavin'
I don't care what you got to say
here is where you belong
and where you're gonna stay
you ain't leavin'
oh, no way

I really need to call you my friend
come lean on me
and we will find a way to survive
and keep this alive
the battle would be won
and you can stand strong
as you'll be by my side

you ain't leavin'
you ain't goin' nowhere, no way
you ain't leavin'
I don't care what you got to say
here is where you belong
and where you're gonna stay
oh, you ain't leavin', no
oh, no way

[saxophone solo]

oh, you ain't leavin', no
you ain't goin' nowhere, no way, hey
oh, you ain't leavin', no
I don't care what you got to say
here is where you belong

and where you're gonna stay
no, you ain't leavin' me
oh, no way
