Tender beach we are all counting down for tomorrow
Silently memories flashing by the outer window

Yesterday was in flashing lights
Yesterday was in flashing lights
Yesterday was in flashing lights
Can't be a dream
Yesterday was in flashing lights

Easy come easy go
I must be a dreamer
Hold me close let me know this can't be a dream

Easy come easy go
I must be a dreamer
Hold me close let me know this can't be a dream

You and me, I and you
I can see your reflection
I don't know where you live and I begin that connection

Yesterday was in flashing lights
Yesterday was in flashing lights
Yesterday was in flashing lights
Can't be a dream
Yesterday was in flashing lights

Easy come easy go
I must be a dreamer
Hold me close let me know this can't be a dream

Easy come easy go
I must be a dreamer
Hold me close let me know this can't be a dream

Yesterday was in flashing lights
Yesterday was in flashing lights
Yesterday was in flashing lights
Can't be a dream
Yesterday was in flashing lights
