All the time  
You are on my mind  
And I can't find a way to let you go..  
Can't you see what you do to me  
Its hard to be left here all alone  
I can chase this dream forever  
Cuz youre always on my mind  
We are ment to be together  
And now is the time, to make you mine

I wanna kiss someone like you  
I wanna feel the way I do  
Wanna hold you in my arms when you are dreaming  
I wanna say the magic words, wanna tell you how it  
hurts  
To be the one  
To love someone like you.

If you knew  
What I felt for you hey!  
what can I do, Its taringme apart  
Every day, every day I pray  
That i find a way to open up your hart  
when the nights are getting colder  
U need someone to keep u warm  
maybe need someone to hold her  
let me be the one  
let me be the one

I wanna kiss someone like you  
I wanna feel the way I do  
Wanna hold you in my arms when you are dreaming  
I wanna say the magic words, wanna tell you how it  
hurts  
To be the one  
To love someone like you.

I can chase this dream forever  
And now is the time  
To make you mine
