You're the one (you're the one)
Ooh, yeah
(Ooh, yeah, Ooh, yeah)
You're the one (you're the one)
(Irresistible)
When I look in through your eyes
(Eyes), Yeah, (Yeah)
I can't see the reason why (why, why)
Every time I see you smile
You know it turns me on
And you're always on my mind
When you're gone
[Chorus]
You're the one, irresistible
You the only one for me
You're the one, irresistible
You're the one I wanna see
You're the one
(You're the one, you're the one)
Oh, yeah yeah
Keep you in this heart of mine
(Mine, mine)
Ooh Be there till the end of time
(Time, time)
But I look in through your eyes
You know it turns me on
And you're always on my mind
When you're gone
(hhh.)
[Chorus]
You're the one, irresistible
You the only one for me
You're the one, irresistible
You the one I wanna see
You're the one
(You're the one, you're the one)
So come on baby
Free talkers die, I'll be your lie
And friend
(Friend, friend)
And when you're down

Ill be around till the end
(till the end)
Yeah, yeah, yeah..
But I look in through your eyes
You know it turns me on
And you're always on my mind
When you're gone
[Chorus]
Youre the one, irresistible
You the only one for me
Youre the one, irresistible
You the one I wanna see
Youre the one, irresistible, Baby
Youre the one, irresistible
Youre the one, (irresistible)
Youre the one, irresistible
Yeah, yeah, yeah, yeah, yeah.
