â€¡.

Has he eyes that are full of love?
Do they show what he's thinking of?

Oh! You have no idea!

He's got that whatsy-whatsy-what
What people can't name,
And say, that whatsy-whatsy-what
Would make the wildest woman tame!

Hot as fire, all the girls agree,
Does he spark when he's out with me?

Oh! You have no idea!

Does he love like a desert sheik?
When he necks, can he make 'em weep?

Oh! You have no realisation!

Has he got what the girls all crave?
When they're with him, does he behave?

Come to me for information"

He claims he's travelled quite a lot
In far distant lands;
I don't know if it's true or not,
But boy, he sure has travellin' hands!

Like an auto, he changes speed,
Has he got what his Sophie need?

Oh! You have no idea!
