"Somebody Like You"

I never loved somebody else but you
I never doubted you and I never will
Never before I loved somebody that much
You are everything to me
When I look in your eyes I know it's you and me
Warm and tender carelessly
I never loved somebody else but you
Somebody like you
Wherever you'll go I'll be there with you
We will walk the same road endlessly
I never loved somebody else but you
Somebody like you
You will be always on my mind my love
Whatever happens be it rain or shine
You know forever I will wait for you
You will be always in my heart
When I look in your eyes I know it's you and me
Warm and tender carelessly
I never loved somebody else but you
Somebody like you
Somebody like you
